

Brief CV

Name	Xiaochun Xiao	中文名	肖晓春	
Gender	Male	Country	China	
Title	Prof.	Position	/	
University/Department	School of Mechanics and Engineering, Liaoning Technical University			
Research Area	Rock Mechanics; Engineering Fluid Mechanics			
<p>Brief introduction of your research experience:</p> <p>My work has been focusing on the coal bed gas migration and enhanced mining technology in low permeability reservoirs, mechanics and warning method of coal mine dynamic disaster. I have presided or participate in 20 scientific research projects, including the National key basic research, Key program of national natural science foundation of China, General program of national natural science foundation of China. I have published 61 journal papers, including 31 retrieved by EI and SCI, 10 patents authorized by the state. I am a reviewer for the journal of Composites Part B Engineering, Chinese Journal of Rock Mechanics and Engineering, Rock and Soil Mechanics, Chinese Journal of Geotechnical Engineering, and Journal of China Coal Society.</p>
